

What will happen next?

If a place is not available, your child's name will be held on a wait list unless you notify the college that you do not want to proceed with the application.

- Upon receipt of the completed form the applicant's name will be added to the list of applicants seeking entry to the College in the year and at the level designated.
- Places of enrolment are offered by the Co-Principals according to Samaritan College's Enrolment Policy.
- Interviews will be conducted by a Co-Principal/Campus Leaders and will include discussion about the student's and family's needs, the ethos of Samaritan College as well as financial and support expectations.
- Formal offers of enrolment will normally be made prior to the date of commencement. Acceptance of such offers will involve a contractual agreement being signed between the parent/caregiver and the school.
- A letter will be sent to the parents/caregivers advising them of the starting date, transition meetings and any other information relating to the student's commencement at the College.
- If a place is not available and the application meets the enrolment criteria, the student will be placed on the waiting list. Parents/caregivers will be notified if a place becomes available.
- It is the responsibility of parents/caregivers to advise the College of changes to address and/or contact details. Failure to do so may preclude an applicant from offers of enrolment.

When places are limited, the college follows enrolment criteria as outlined in the policy.
