"Anyone who welcomes you welcomes me; and those who welcome me welcome the one who sent me." Matthew 10:40

This Sunday is Aboriginal and Torres Strait Islander Sunday. Last week I had the privilege to spend three days with fourteen other principals of Catholic schools together with some outstanding Retreat leaders including two aboriginal leaders from interstate. The three days took us all into spaces we would rarely explore and to enjoy experiences of the land and sea combined with reflections on reconciliation, prayer, symbolism and deep listening. The retreat was designed to allow principals to be nourished and given time to the quiet voice of God be heard in them through an encounter with the sacred in Aboriginal spirituality.

Farewell

At the end of this term, we farewell Mr Trent Keiper. Trent has been with the college since 2006 with a few periods in other locations along the way. Trent is seeking a semi career change but will continue to work with local youth as he helps them find employment. We wish Trent all the best and thank him immensely for his contribution to our college over such a long period of time.

Memorial Service

On Wednesday July 5 at 10am at St Teresa's Campus, we will celebrate and honour the life of our staff member, Kerry MacDonald, who passed away a few weeks ago. Parents are most welcome to attend as we pray for Kerry but also share some stories of the impact she made with so many students and staff of Samaritan.

Help for Parents

In addition to my section in the last newsletter regarding help for parents with the potential bullying of their child, I make mention today of some of the other 'advice' we also provide to our senior students. This can include some very matter of fact sessions regarding road safety but senior students also have discussions regarding how to be safe at parties. This topic covers a range of related aspects including alcohol consumption, sexualised behaviours, peer pressure, looking out for friends and simply being safe. There are a multitude of websites that provide help for parents in this area but this one is simple and helpful: <https://www.betterhealth.vic.gov.au/health/healthyliving/partying-safely-tips-for-teenagers>

End and Start of Term

Our term finishes for students at 12:30pm on Friday, July 7 and Term 3 starts for students on Tuesday, July 25. On Monday July 24, staff will be at work engaging in a range of curriculum development and learning activities.

Parish News

Looking back over the last two weeks in our parish life coming first to my mind is the beautiful celebration of the Feast of the Sacred Heart. Congratulations to the Year 7s and their teachers who prepared the Liturgy. Through the clarity of their readings, prayers of the Faithful, appropriately chosen hymns and graphic presentation of the Feast Day symbolism the meaning of the feast was made clearer to all present. This symbolism, the students explained, shows us that the second Person of the Trinity by becoming truly human, the Word Incarnate, revealed the immense love of His Father for each of us. Thank you, Year 7s.

Last weekend Fr Jim in his homily on the Gospel of the day developed a similar theme as he rejected any discrimination against those who are mentally or physically challenged, noting at the same time we all have one or more disabilities. Fr Jim said: "Today's gospel is indiscriminate – it covers all people – everyone. God our creator, who is also the creator of all of those who are not quite like the norm – whatever that is – knows how many hairs there are on each one's head, an example that underlines how well He knows and cherishes each person, no matter who they are."

Another joyous parish occasion was the First Holy Communion of our young parishioners celebrated at each of our parish Masses on June 17 and 18, and again last Saturday night. May this personal encounter with Jesus lead each child to realise how she or he is valued by Jesus.

Then during the week past, we had a party to honour the members of our Catholic Women's League who for half a century have assisted so many and devotedly served the Church community – their cakes and scones are legendary! Congratulations and thanks to these wonderful women.

Last week too was designated as Refugee Week, a reminder of the support needed to assist those fleeing war, persecution and extreme poverty. Thanks to the students who prepared posters for display. Refugee Week also serves as a reminder that Australia is still holding refugees and asylum seekers including children in detention on Manus Island and on Nauru. The UN Refugee Council last week again spoke out against this policy.

Coming Parish Events

24 Hours with the Lord – 'time out' for reflection and prayer. From Friday, July 7 to Saturday evening 6:00pm Mass, July 8.

As school break falls at this time senior students could come, and in quiet reflection, place their concerns, hopes and dreams before the Lord - a time also to continue prayers for Whyalla.

Farewell to Fr Harold Camonias

On Sunday, July 16 after the 10:30am Mass we will gather at the Croatia club. Participants are invited to bring a plate.

In conclusion, CONGRATULATIONS to past and present Altar Servers who are celebrating the **40th Anniversary** of the establishment of the **Guild of St Stephen** in the Whyalla parish.

Year of Youth

Each year the Australian Bishops announce a theme for the year. In 2018 the theme is The Year of Youth. The following information is from the website <http://youth.catholic.org.au/projects/year-of-youth>

The Australian Bishops have identified the liturgical year of 2018, beginning on the first Sunday of Advent (3 December 2017), as a national Year of Youth.

The Year of Youth invites the church into dialogue about the importance and life-giving presence of young people in the Church and society. It calls for dialogue and active engagement focused on the reconnection and renewal of a new generation of young people in the life of the Church.

The Year of Youth aims to:

- prayerfully discern the Australian Bishops vision for ministry with young people, Anointed and Sent;
- authentic and personal engagement by Church leaders in the challenges and success in young people's lives;
- acknowledging the Holy Spirit at work in the lives of young people, and young people acting upon the Holy Spirit in the life of the Church; and
- upholding the dignity of young people, ensuring a safe environment from physical, emotional and spiritual harm.

The Year of Youth is focused on local renewal and engagement.

Year of Youth Survey

To help with planning and organisation of the Year of Youth events and directions, a survey is being conducted to gather the views of young people from 16 to 29 on a range of youth centered issues in society and the church. I encourage young people to have a look at the survey and complete it.

The survey can be found at <https://www.catholic.org.au/youthsurvey>

Australian Catholic Youth Festival

The Australian Catholic Youth Festival will be held in Sydney 7-9 December 2017.

Details can be found at the address below:

<http://youthfestival.catholic.org.au>

First Eucharist

Twenty eight children celebrated their First Eucharist on the weekend of June 17-18.

We congratulate the children and their families at this sacred time. The show of faith the children displayed is to be admired and we pray they are strengthened in their lives in receiving the Eucharist.

If you would like to find out more about this or other Sacraments please feel free to contact me at the college or one of the parish team.

Congratulations to the following children who have received this beautiful Sacrament:

Lara, Myah, Mia, Kate, Ella, Kaitlyn, Katie-Jade, Riley, Oliver, Hamish, Hamish, Jaden, Charlie, Rhiana, Grace, Francine, Connor, Rex, Joseph, Amalia, Louie, Layla, Denise, James, Clarence, Jake, Ryan and Aaron.

NAIDOC Week

July 2 this year is the beginning of NAIDOC Week. It is a time to celebrate Aboriginal and Torres Strait Islander history, culture and achievements and is an opportunity to recognise the contributions that Indigenous Australians make to our country and our society. As a college we join with all Australians to celebrate the importance of Aboriginal and Torres Strait Islander culture.

The theme of NAIDOC Week this year is 'Our Languages matter'. The theme emphasises and celebrates the unique and essential role that Indigenous languages play in cultural identity, linking people to their land and water and in the transmission of Aboriginal and Torres Strait Islander history, spirituality and rites, through story and song.

Confirmation

Children who are preparing for Confirmation next term will receive a letter from the parish during the school holidays or early next term. If you have changed address recently please inform the parish so your letter is sent to the correct address.

Confirmation will be celebrated on Friday September 15. You will receive a timeline soon which will have other important dates in the sacramental program.

Primary Campus News

OLHCC: Our Lady Help of Christians Campus

STC: St Teresa's Campus

It is hard to believe that we are half way through another school year. This semester has certainly flown by and I take this opportunity to congratulate the students on their efforts in all curriculum areas and for the positive choices they have made throughout both terms. I also thank our staff for their ongoing commitment in educating the students and supporting the development of them as individuals.

Mid-Year Reports

Student reports will be sent home on Wednesday, July 5. Whilst these reports are written for the parent they do provide lots of feedback and suggestions for the students too. I encourage you to talk with your child about their successes, challenges and areas of future growth.

Congratulations to the students who will receive a Principal's Award for academic achievement and/or consistent attendance. The efforts of students who receive 4 or more A grades and/or who had 5 or less days absent will be recognised.

Memorial Liturgy for Kerry MacDonald

On Wednesday, July 5 the students and staff of St Teresa's Campus, along with the family and friends of Kerry MacDonald, will celebrate her life with a Liturgy in the campus grounds at 10:00am. Parents are welcome to attend.

Coins to fight Cancer

On Wednesday, July 5 St Teresa's Campus will be having a 'Coins to fight Cancer' day. Children are able to wear casual clothes 'with a touch of pink' and are encouraged to bring coins along to create class coin lines. A sausage sizzle will also be available for lunch on the day at a cost of \$1 per sausage in bread.

More details are on the flyer on p7 of the newsletter.

SAPSASA representatives

Congratulations and good luck to Brodie Clark (Year 6) who this week represents Whyalla in the SAPSASA Soccer competition in Adelaide.

Congratulations also to the following students who will be representing Whyalla in the SAPSASA Hockey competition in Adelaide this week. Jamison Smith, Brooklyn Tavra, Benjamin Travers, Rohan Leever, Kyla Smith, Macy Brougham and Mitchell Byrne.

We thank Mrs Kerri Smith who will manage the hockey teams and Mrs Rebecca Scharber who will manage the soccer team for the week.

Sustainability

As part of our ongoing commitment to sustainable practices and education classes have been engaging in learning activities exporting relevant concepts and continuing their commitment to the recycling of waste. It was great to see the 4 bin system being utilised at the Disco last Thursday.

The students in 2/3 Warren designed and made their own mascots that represent Sustainability, in particular composting, recycling and saving water.

Last day of Term

Parents just a reminder that Friday, July 7 is the last day of Term 2, with school finishing at 12:30pm. School will resume on Tuesday, July 25.

Lost Property

As the lost property cupboards fill up, I ask families to please check that all children's belongings, including lunch boxes and plastic containers are labelled with first and last names. This will assist in the location of lost property.

Samaritan Concert Night

Today we have the privilege of attending Concert Night. Students and staff will be treated to a variety of entertaining acts involving students from the primary and secondary campuses. We certainly have some very dedicated young performers, who thrive on the opportunity to share their gifts and talents. We acknowledge and thank the students and staff, in particular Mrs Winnie Fitzgerald, Mrs Melinda Peat, and Ms Julia Antilla for their preparation and ongoing commitment to today and tonight's performance and the continued development of the Arts at the primary campuses.

NAIDOC Week celebration

During Week 10 classes will celebrate NAIDOC week by participating in buddy class activities highlighting the language and culture of the Aboriginal and Islander people. Assemblies will also be held at each campus to celebrate NAIDOC Week. 5/6 Baker/Edwards will lead the assembly on Monday Week 10 at 12:30pm and the SRC will lead the assembly at STC on Monday at 12:30pm.

Also on Monday, a group of ATSI students along with some senior classes, will represent Samaritan College at the NAIDOC Week walk and awards presentation.

Families are encouraged to view the displays in the library at OLHC campus, and you are, as always, welcome to attend the assemblies.

Uniform Survey

After 10 years of Samaritan College, a decision has been made to review the Samaritan uniform.

Your input is greatly valued and we ask that you complete the online survey online. The survey will be available at <https://www.surveymonkey.com/r/B7ZZL7W> until Friday, July 7.

Alternatively if you wish to complete a hard copy survey please contact your campus front office.

Your assistance in this matter is greatly appreciated.

SAMARITAN COLLEGE UNIFORM COMMITTEE

Parents and Friends

The Parents and Friends committee would like to thank those parents who helped with lolly bagging, donating baked goods, and serving and clean up during and after the Primary Disco in Week 8. We also thank all the families who supported this event and helped us to raise over \$500.

Our committee would love some new members (mums and/or dads from all three campuses are invited to join) – our next meeting will take place at Our Lady Help of Christians Campus on **Wednesday, July 5 at 7:30pm**. The committee meets once a month, on the first Wednesday of the month, with the venue rotating between the three campuses.

Our next project is the annual Whyalla Show Food Stall (Week 4, Term 3 on August 19-20).

How can you help to minimise cost and maximise profit?

Buy your own ticket(s) if you are planning to volunteer at the stall (this means we are spending less on traders tickets for volunteers). Ticket information and prices available at <http://www.sacountryshows.com/pages/sacountry-shows/whyalla-show.php>

Volunteer at the food stall – shifts are generally 2 hours long, with the exception of Saturday and Sunday breakfast which is 7-10am and Sunday afternoon pack up which is from 3-4pm. Many hands make light work – general duties include cooking on the BBQ, receiving orders and money handling and assembling orders (clear instructions so easy to follow).

Donate ingredients to keep our food costs down: canned beetroot, processed cheese slices, brown onions, eggs, short cut bacon, carrots, cabbage, coleslaw dressing

Attend a **working bee** to slice onions and make coleslaw in the lead up to the weekend

More information will be shared in the first newsletter of Term 3 where we will be asking for volunteers to nominate for shifts, and for those not able to help on the weekend to indicate what they might like to donate. Also keep an eye on our Facebook page and app for regular updates.

Your generosity, as always, is much appreciated!

Examinations

Our Year 12 students have just over 1 term of school left. For some of these students the 3rd Term starts with Examinations. Here are "10 Rules of Good Studying", from a book "How to excel at Maths and Science, even if you flunked algebra".

1. Use Recall. After you read a page look away and recall the main ideas.
Try and recall those main ideas when you are walking to class or in a different environment.
2. Test Yourself. On everything. All the time. Flashcards are your friend.
3. Chunk Your Problems. After you have solved a problem rehearse it. Your trying to make the processes one smooth chunk that you can recall when needed.
4. Space your repetition. Spread out your learning in the subject a little every day, just like an athlete. Your brain is like a muscle – it can handle only a limited amount of exercise on the same subject at a time.
5. Alternate different problem solving techniques during your practice. Never practice too long at any one session using only one problem-solving technique. Mixing it up helps you to learn how and when to use the different techniques.
6. Take breaks. It is common to be unable to solve problems or figure out concepts in Maths and Science the first time you encounter them. When you get frustrated take a 25 minute break, this allows your brain to continue to work through the problem without you having to focus on it.
7. Use explanatory questioning and simple analogies. When you are struggling with a concept, think to yourself, How can I explain this so a 10 year old could understand?
8. Focus. Turn off all interrupting beeps and alarms on your phone and computer and then turn on a timer for 25 minutes. Focus intently for these 25 minutes and try to work as diligently as you can.
9. Eat your frogs first. Do the hardest things earliest in the day, when you are fresh.
10. Create a picture or description of your dream. Place this somewhere prominent where you study. Look at this when you feel your motivation lagging.

Term 3 Changes in Staffing

Trent Keiper will finish his time with us at the end of this term. Trent has worked at Samaritan College since 2006, and over the years has taken on a number of different roles, including Sports and Physical Education Coordinator and Year Level Coordinator. Within each role Trent ensured that he was doing what was best for our students, always taking time to listen and guide those who sought his support. His experiences lead him into the area of counselling and for the last few years he has undertaken studies to move into this area in a full-time capacity.

No school likes to have teachers leave part way through the year, but an opportunity presented itself for Trent that was exactly what he was looking for, he will continue to work in the region helping young people get back into the world of work. We wish Trent all the best with this new chapter in his life.

To replace Trent there have been a few changes. Cristina Torres will pick up the Year 12 General Maths class, teaching one of the classes already places her in the best position to pick up the second. Tariro Nodoro will pick up the Year 10 General Maths, and Maresa Lyons will return to the classroom to pick up Year 11 and junior Maths classes. Trent's two Year 8 PE classes will be taken by either Ryan Baker or Karina Van De Wiel.

Community Service

It always brings me pleasure to acknowledge students through our newsletter. Usually we are highlighting their sporting prowess, this week I would like to acknowledge two of our young students who have devoted years to providing a community service.

Lucy Bray and Kymberley Jenkins have been stalwart Altar Servers within the Whyalla Catholic Parish for 6 and 8 years respectively. Both of these young ladies have attended assemblies with other Altar Servers from across

Australia and can be seen almost every Sunday at one of the Parish Masses.

Lucy has served at two Ordinations for priests who have worked within Whyalla, as well as twice attending the Chrism Mass in Port Pirie. The highlight was attending the Brisbane conference as she was able to meet and socialise with many altar servers, and served for the Arch Bishop of Brisbane, Paul Gallagher.

Young people who have received their first Eucharist, are encouraged to approach some of the Altar Servers and find out about the process to become a server.

Starting Term 3

The secondary staff will be undertaking a day of professional learning on the first day of Term 3, Monday July 24. Student will commence on Tuesday, July 25.

Year 10s

Term 3 is an exciting time to be in Year 10. In the first week the boys will be enjoying their Murray Venture camp, while the girls are undertaking their work experience. The second week will see an excursion to the UniSA campus, and then in the third week girls will do the Murray Venture and the boys will have Work Experience.

Education Nights

Term 3 also brings about the education nights for students to get an idea of what is on offer for them in 2018. The first of these is for Year 10 students on Tuesday, August 1. With the night for Year 11 students set for Tuesday, August 15. It is important that a parent/caregiver attend with the child so that clarity of options can be sought.
