"The kingdom of heaven is like a mustard seed that a person took and sowed in a field. It is the smallest of all the seeds, yet when full-grown it is the largest of plants. It becomes a large bush, and the birds of the sky come and dwell in its branches." - Matthew 13:31-32

Sunday's Gospel contained a lot of parables! This one about the mustard seed is another parable so incredibly apt for our work in a school. The more you read it, especially within the context of the rest of the chapter, the more it tells you. The mustard seed isn't just about what a tough, hard and tiny seed can eventually become it is also about the impact that one seed or person will have on so many both now and into the future. The work we do with one child's life in 2017, will have an enormous impact for 100s of years to come.

NEW RECEPTIONS

We are in our second year of re-introducing a mid-year intake of Receptions. Whilst many families are preferring to enrol their child at the start of each year, the option is there for families, whose child qualifies with the correct birth date, to enrol their child now. Please contact one of our Primary campus offices for further information. Welcome to those families who are joining Samaritan College for the first time. It is a very exciting time when your child begins school.

ARRIUM ANNOUNCEMENT

Regardless of any positivity or security around the recent sale of our local steelworks, we remind families that any time you believe there is a concern in meeting your obligation paying school fees, to please make contact with us. We have been able to happily assist a number of families, who qualify for help, thanks to them making contact with the college to explain their situation. The process is very confidential.

TERM 3

Like all terms, there are a range of important events that occur for the college in July, August and September. To name but a few we have Confirmation, Choir, Education Nights for 8-12, Whyalla Show, Primary Sports Day, Murray Venture and College Photos.

2016 ANNUAL REPORT

This has been on our website for a while now but is an interesting read. It includes data from a range of areas within our college and is mandated for all Australian schools. Find it here: <http://www.samaritan.catholic.edu.au/about-us/annual-report-1> or please feel free to ask for a printed copy from your nearest Front Office.

Parish News

Welcome back after the holiday break! I hope it was a very enjoyable and relaxing time for your family.

On Sunday, July 16, we had a farewell thank you for Fr. Harold, to give thanks for the last two years he has been with us in the Parish. He has shared his special gifts of joy, care, kindness, enthusiasm and a very special way of relating to people of all ages. This weekend he travels to the Philippines to spend time with his mother, siblings and friends; we wish him a very safe trip and an enjoyable holiday. On his return he will move to Port Pirie. I am sure he will find some excuses to visit Whyalla from time to time.

During the holidays letters were sent out to families who have children in year 7 informing them about the enrolment weekend for the sacrament of Confirmation, which is on August 5 & 6.

The parent and student evening is on August 8 and Confirmation will be celebrated on Friday, September 15. If you did not get a letter regarding the Sacrament could you please contact the Parish.

Our Monday evening meals at Good Sam Inn continue to be appreciated by the guests who attend and we are very grateful to the many people who are on the teams that come and serve the meals in a very cheerful and generous way. I am sure the helpers leave feeling we have made a difference to people who may be doing it tough in Whyalla.

We continue to pray for our town and look for a brighter future for all people in Whyalla.

Religious Dimension

A prayer for the start of a new term

Lord God,

At the beginning of this new term, let us be your hands to do your work, your eyes to see the world and your voice to speak out where there is injustice.

This term help us to love as you love, and to pray for those in need. Let our efforts and actions honour your name.

Amen

WELCOME BACK FOR THIRD TERM

We hope the Year 12 students have a productive week preparing for their last efforts towards the end of the year and final assessments.

As a community we pray that the news for Arrium, our city and families continues to give us hope and prosperity for Whyalla.

We also pray that the Year 10 students have a successful Murray Venture. It is a wonderful experience in a spectacular part of our state. The opportunity to work as a team and fend for themselves is a rewarding experience.

The Year 7 students who will receive the Sacrament of Confirmation begin their preparation this term. Families involved will receive a letter from the parish with preliminary information. If you would like learn more about Confirmation or any other Sacrament please feel free to contact me.

For all families of Samaritan College we wish you a happy and productive term.

Primary Campus News

OLHCC: Our Lady Help of Christians Campus

STC: St Teresa's Campus

Welcome back to Term 3! I hope your holidays were both relaxing and restful, and you had a chance to stop for a moment and spend quality time with your family.

This term in particular we welcome the new Reception children and their families to Samaritan College. We trust you will have a long and happy association with the College.

COINS FOR CANCER

What an amazing effort on the day! We particularly acknowledge the families of St Teresa's campus for their generosity in making this a very successful day. Thank you also to those who added to the success of the day by raising class/community awareness, cooking sausages, helping with lines, counting and bagging coins and cutting off ponytails. It was a great day, and Samaritan families who are having a difficult time will benefit from our community efforts.

HATS – TERM 3

This term students are required to wear their hats at play time and for outside activities. Please ensure your child's hat is named and that it is packed on a daily basis. As I am sure you are aware, it is a duty of care for our staff to ensure that children sit in the shade, if their hat is not worn.

AUSTRALIAN CURRICULUM PARENT - INFORMATION UPDATE

Wanting to know more about your child's classroom curriculum? As always, if you have questions or queries regarding the classroom curriculum, the class teacher is your first port of call. If you would like further information I strongly recommend you take a look at the updated Parent Information section on the Australian Curriculum website, www.australiancurriculum.edu.au

The parent information available includes:

- An overview of the Australian Curriculum
- Handy Links
- Frequently Asked Questions
- A summary of what you would typically see your child doing in the various curriculum areas at their particular year level

STUDENT REPRESENTATIVE COUNCIL (SRC) NEWS

We thank our Semester 1 SRC representatives for their efforts in supporting those in need and representing our college with pride.

Classes are now busy discussing the qualities of a good leader in preparation for the Semester 2 voting.

We also thank Kay Baker and Jennie Ness for their ongoing support of our SRC. The newly appointed SRC will be presented to their respective campus communities at the Week 3 assemblies. Please see the information below regarding assembly times.

SRC INDUCTION ASSEMBLY

On Friday, Week 3 we will induct the Semester 2 SRC at both campus assemblies. The outgoing Semester 1 SRC will facilitate these assemblies.

Please feel free to come and share in this event.

- OLHCC assembly 12:30pm Friday, August 11, in the Church

- STC assembly 2:45pm, Friday, August 11, under the Shelter Shed

BOOK WEEK

It's time to get creative and start thinking about a costume for Book Week 2017 with a theme 'Escape to Everywhere'. Campuses will celebrate Book Week with an array of activities and celebrations.

The Book Week parades will take place at 9:00am on Wednesday, August 23 at STC and Thursday, August 24 at OLHCC. Students are encouraged to come dressed to

reflect the theme or as their favourite book/character or in brightly coloured clothes.

More information will be shared closer to the events.

MUSIC IS FUN

On Thursday, August 10 the two primary campuses will be attending the much loved Music is Fun band

performance in Samaritan Hall at Saint John's campus.

This performance is an integral part of the Music and Drama curriculum with students participating as both artists and audience. Students will be bussed to and from Saint John's campus for this performance.

SCHOOL PHOTOS/PRIMARY CAMPUS SPORTS DAY

To assist with family organisation please note that school photos will take place in Week 7 on Tuesday, September 5 at OLHC campus and Thursday, September 7 at St Teresa's campus.

The primary campus Sports Day is on Friday, September 8 and will be held at Jubilee Park. More information on these events will be available in the coming weeks.

CANTEEN MANAGERS

From the Business Manager
BYOD

Insurance

Do you have insurance on your child's BYOD device? iBroker is one company that specialises in BYOD insurance. As always, it is up to the parents if you want insurance and we don't recommend either way. If, however, your household contents policy does not cover your device and you are thinking about insurance, maybe consider a web search on laptop insurance and obtain a quote. It may be cheaper in the long run.

New device

Does your child's device meet their needs? Is the battery life sufficient to get through the day?

The college can support families with payment plans on devices. From as little as \$75 a term, we can provide a choice of several suitable devices. If you would like to discuss this further, please contact the Business Manager or email info@samaritan.catholic.edu.au

SJC: Saint John's Campus

WELCOME BACK

I always find the first week of school to be extra rewarding. Students return with a renewed vigor and usually set themselves personal goals for the term ahead, whether it be to achieve better grades or how they interact with others members within their classrooms. What goals has your child set for themselves for Term 3?

We are very fortunate to have two exchange students starting with us. Veronica is from France and will be studying year 11 subjects whilst Maude is from Italy and will be doing classes at a year 10 level.

CUTTLEFISH DIVE

At the end of last term we were very fortunate to have an opportunity for a small number of students to be involved in a cuttlefish dive. It was touch and go with the weather and there was every possibility that the bus would be turned back without students going near the water, but fortunately the weather abated and the dive went ahead.

Most of the students that I have spoken with really enjoyed the dive and were impressed with the number of cuttlefish that they were able to see.

My thanks to Mrs Lydia Line who organised the day and to Mr Thursby and Ms Torres who accompanied the students.

EDUCATION NIGHTS

We start our education nights next week. These are targeted towards students for them to give thought to what subjects they might undertake next year. Our year 10s and 11s will hear about SACE and possible VET options that they might want to consider. It is really important that each child attends with an adult so that they are informed of the latest information regarding SACE. We will also run through the process for selecting subjects and how parents might arrange a counselling time.

Please save these dates in your diary:

Tuesday, August 1, Year 10

Tuesday, August 15, Year 11

Both evenings commence at 7:30pm in the CBC Lecture Theatres.

EVENTS ON THE HORIZON

The annual netball carnival is fast approaching. This year we have been limited to one team per age group so students have been asked to attend tryouts to get into the team. The tryouts were very competitive and it has been difficult determining who is going to be in the team.

We congratulate those who were successful, and we hope that students, who unfortunately missed out, will consider trying again as they continue to improve their skills.

The Australian Mathematics Competition is being held on Thursday of week 2. Teachers have nominated students who they feel will benefit from the experience. The school covers the cost of participation in this competition.

Year 9 GEM day – our Year 9 Girls have been invited to participate in a GEM day at Caritas College. The girls will have an opportunity to engage in some activities designed to stimulate thinking in the areas of STEM (Science, Technology, Engineering and Mathematics).

UNIFORM MATTERS

As we start the third term students have been reminded that they need to wear their hats whenever outside. The College appreciates parent support with our endeavour to keep students safe from the sun.

YEAR 11 DINNER

On Thursday, July 6, the year 11 students had their dinner and dance at the North Whyalla Football club. A number of students had spent many hours planning this evening with Mr Baker and their efforts were not in vain as those who attended thoroughly enjoyed the night.

A big thankyou to the committee members for their efforts and the Westlands Hotel for the use of their table decorations.

A few photos of the evening are included in this newsletter.
