

PUBLIC SEMINAR

CYBER SAFETY

Caring for Kids in an Online World

An informative, entertaining and enlightening session for parents, carers and interested others that will cover the positive, benefits of technology as well as what parents need to be aware of.

Speaker: Susan McLean – Australia's leading Cybersafety expert and educator. The most highly qualified of all Government eSafety certified providers. Susan McLean is Australia's foremost expert in the area of cyber safety and young people and was a member of Victoria Police for 27 years. Her presentations are vibrant and engaging and draw on her many years' experience working in cyberspace.

What do kids do online? Where do they go?

The difference between an 'online friend' and a 'stranger'.
