

# Samaritan COLLEGE

## VISION STATEMENT

### FAITH

*"Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind and your neighbour as yourself." Luke 10:27*

A community rich in faith and underpinned by Gospel values, Samaritan College works to foster a sense of hope and wonderment within our students, staff and families.

In partnership with families and the Parish, we aim to provide a safe and inclusive environment, which nourishes the spiritual growth of our students and supports them within their individual faith journeys.

Drawing inspiration from Jesus' life, we strive to assist students in recognising and developing their own self-worth, integrity, courage, resilience and confidence in order to help them model and live Catholic ideals within their present and future worlds.

### WISDOM

*"The water that I will give will become in them a spring of water gushing up to eternal life." John 4:14*

While valuing the importance of our traditions and history, Samaritan College strives to educate for the future of our ever-changing local and global society.

We acknowledge the many different ways in which people learn. Our diverse and forward thinking curriculum provides all students with constant opportunities to develop their critical thinking and problem solving skills; and to experience success.

We encourage students to be interdependent, to accept responsibility for their own development, to challenge themselves and take risks, to cultivate a thirst for knowledge and a life long love of learning.

### COMPASSION

*"He said, 'The one who showed mercy', Jesus said to him 'Go and do likewise.'" Luke 10:37*

God entrusts to us, as a Catholic community, the worthy duty of caring for our world and those within it.

At Samaritan College we promote an accepting and inclusive environment of empathy, understanding and respect. We recognise the hope and the potential within every individual and work in partnership with students and families to develop their interpersonal and intrapersonal skills.

Through our constant involvement in the community, we strive to imbue a sense of responsibility within our students, fostering compassionate action and empowering them to live socially just lives.

Samaritan College is a learning community guided by wisdom and moved by compassion, living the Gospel in faith and action.
