Conditions of Hire

Refusal to Let:
It shall be at the discretion of the College Principal or Business Manager to refuse to let facilities or equipment in any case, in particular where cases arise where facilities and equipment are required for student usage or to protect the quality of facilities and equipment for future student usage; and not withstanding that the facility/equipment may have been let, or that these conditions have been accepted and deposit paid, the Principal or Business Manager shall have the full power to cancel the hire agreement and return the deposit and bond payments to the Hirer. The Hirer hereby agrees to accept the same and to have consented to such cancellation and to have no claim in law or in equity for any loss or damage in consequence thereof.

Compliance
The Hirer will comply with all instructions given by authorised persons from the College whether regarding the use of the facilities/equipment, conduct or parking on College grounds or otherwise.

Bond
Hirers may be required to pay a bond to cover any damage to or loss of property or equipment and to cover costs should the College need to clean and/or restore furniture and equipment to its original condition. The bond will be refunded within 5 working days (Monday to Friday) following final inspection of the premises and equipment after use. The bond may be waived under some circumstances.

Damage to Facilities and Equipment:
The user will be responsible for all damage to facilities and equipment, outside of incidental damage that is foreseeable through the normal usage of facilities and equipment. If the bond is insufficient to cover repair costs then the user will be invoiced for the amount required to rectify the damage. Hirers are required to report any damage to the Business Manager as soon as practical.

Cleaning
The facilities and equipment hired must be clean at the end of the hire period. All rubbish must be removed from the premises by the Hirer. If extra cleaning is required to return the facilities/equipment (or other property) to their pre-hire condition, such cleaning will be arranged by the College and charged to the Hirer. The main floor of the Samaritan Hall is cleaned by Contractors daily from 3.30pm to 4.00pm and on Friday’s until 6.00pm and will not be available for hire during this time.

Access (keys and security)
The College will, depending on the hire times, either provide the Hirer with a key and a security code, or will arrange for a member of the College staff to open and close the facility. The keys and code will be issued the working day prior to the booking. Keys shall be returned to the College on the first working day after the booking, or under such other arrangements as agreed with the College. Charges will be incurred for lost keys. In the event an alarm is activated whilst gaining access and a cost is incurred by the College for security call outs, these costs will be passed on to the Hirer. Additionally, if the alarm is not armed on completion of the event, a fee will be passed on to the Hirer.

When securing the Hall, the College requires at least 2 people be present to ensure that personal security is maintained whilst on the premises.

Advertising material shall not be displayed on campus without the permission of the College. The College name or logo must not be used in any material produced or disseminated by the Hirer without the written permission of the Principal or Business Manager.
