

## BYOD 2017

### Who needs a device?

- Year 8 – 12 – Compulsory for all students to bring a device.
- Year 7 – Optional for all students to bring a device.

### What type of device?

- Laptop or tablet with keyboard.
- Screen size between 10" and 13" is recommended.
- Battery life to get through a normal school day.
- Microsoft Office 365 is provided free to each student.

### Device Options

- Bring your own device.
- Purchase a device through the school on a payment plan.

### How does the school payment plan work?

- Estimated cost of the device is \$1,000 - \$1,200.
- Quarterly direct debits can be set up over 1-3 years depending on which year level the student is in.

### What next

- We will send you an intention form early in Term 3.
- Let us know if you will bring your own or purchase through the school.
- If purchasing through the school, we will contact you late Term 3.

Further information can be obtained from the BYOD Handbook available on the website or by contacting the school at [info@samaritan.catholic.edu.au](mailto:info@samaritan.catholic.edu.au)
