

## TO THE COMMUNITY OF SAMARITAN COLLEGE, WHYALLA

Dear Community Members

I am writing to inform you that Mr John Lyons will be leaving his position as Deputy Principal of Samaritan College, Whyalla at the end of Term 4, 2021.

We congratulate John on gaining a position at our new Catholic secondary school, commencing next year at St Francis Assisi College, Renmark. It is wonderful that John will continue his educational ministry in another school within the Diocese of Port Pirie.

In John's time as Deputy Principal at Samaritan College, he has led with vision and has contributed generously to the life of the school. John's passion for ensuring the provision of high quality, contemporary learning opportunities for students has been central to his leadership within Catholic Education South Australia.

I know that John has found his time in leadership at Samaritan College personally and professionally fulfilling and has deeply appreciated the support of the students, staff, parents, parishioners, and the local community.

I know you will join me in wishing John well as he takes on his new position at St Francis Assisi College, Renmark. I will write to you again, once the process to appoint a substantive Deputy Principal at Samaritan College has been finalised.

Ms Nichii Mardon  
**Director**
