

2024 SCHEDULE OF FEES

Contributions made by families towards their children's education are an integral component of the overall funding received by the College. Commonwealth and State funding contribute around 75% of overall income that Samaritan College relies on to operate efficiently.

As a matter of equity among families that attend the College, there is an expectation by the College Board that the complete sum of fees payable on behalf of each student is completely paid within the school year.

Parents and guardians agree at the time of enrolment that they will be responsible for their children's fees while at the College. There is an expectation that this commitment will be honoured.

For further information please refer to the Fee Policy which is located on the School's website at www.samaritan.catholic.edu.au or collect a hard copy at the School.

Payment of Fees

- **All new families commencing after 2016 are required to enter into a Direct Debit Agreement.**
 - **All current families are required to complete a Payment Method Form at the beginning of each year.**
