Dear Parents/Caregivers,

As moving to a new school can be daunting, your child is invited to an orientation afternoon on Friday November 15 at our Saint John's Campus to gently acquaint them with life at Samaritan. This afternoon provides students with an opportunity to learn more about the day-to-day running of Saint John's Campus and to address any concerns or questions they may have.

During their afternoon with us your child will learn more about "The Samaritan Way", have a tour of the campus and get their school ID photo taken.

Students will need to make their own way to and from Saint John's and meet in the Front Office at 1:30pm. There they will be met by Saint John's staff and escorted to their various activities.

Students will be dismissed at the end of the day (3:20pm).

Should you have any queries about the transition program, or anything else regarding the move to Samaritan, please contact me at the College on 8645 8568. Thank you for considering Samaritan College for your child's continued education.

Yours faithfully,

Tanya Gibson
Assistant Principal - Head of Secondary
